RE: LETTER OF RECOMMENDATION FOR STILMAT FLOOR SUITABILITY

I am pleased on behalf of the Namibia Volleyball Federation (NVF) to write this letter of recommendation as a declaration for stilmat floor suitability.

As a volleyball Federation we can attest that the stilmat floor is a multipurpose good quality floor which is suitable for use for both outdoor and indoor volleyball activities. At the moment stilmat floors are available at few public and private volleyball venues which we normal use for our national competitions in the country.

With the above in mind, we have no doubt in recommending floor stilmat as the most suitable floor for use in both urban and rural volleyball venue setup.

You may feel free to contact me for any further clarity you may require in this regard.

Regards,

Hillary Imbuwa
President
